The spring roadside cleanup is once again approaching.

We will be gathering to do this important community service on:

Wednesday May 3rd at 4:30 pm. We gather at the Latter Day Saints parking lot located at 11900 Manning Ave. South just 0.25 miles north of Highway 61.

As in past events there will be a drawing where two of the participants will receive one free day of 10K sponsored education which includes the summer conference.

This is also a great opportunity to get to know and network with other code officials.
