

BUILDING INSPECTOR

The City of Chanhassen is seeking a Building Inspector to join the Community Development team. This position will assist the Building Official with the administration of regulations and inspections pertaining to building construction and zoning during the process of work, as well as final inspections upon completion. This position will primarily focus on commercial reviews, but will also participate in the residential review process by reviewing plans and permit applications, looking for compliance with city and state codes. For a full job description or to apply please visit www.ci.chanhassen.mn.us/jobs.

Posting closes: 10/14

Pay range: \$29.40 - \$36.75
