

Business name: MNSPECT, LLC
Job title: Temporary Commercial Field Inspector
Salary: \$30-45/hour, DOQ

General Duties:

Be an essential member of the MNSPECT Team by being a temporary employee, serving our client jurisdictions with building safety services that command exceptional customer service skills in a fast-paced working environment. The purpose of the position is to ensure compliance of client cities, townships and counties with the State Building Code and local ordinances. The field inspector inspects commercial and industrial projects for code compliance, and will include State delegated projects. Seeking knowledge of building, mechanical, electrical and plumbing. Working closely with clients and customers, there is an emphasis on teamwork when performing the work.

Minimum Requirements:

HS diploma or GED; MN building official license (BO); experience with commercial plan review (structural and non-structural); experience in field inspections; experience in the building trades with working construction; ability to demonstrate written & oral communication skills; people skills; computer skills; a valid MN driver's license.

Desired Requirements:

- Experience inspecting under the State delegation, including plumbing
- Experience working in a municipality
- Experience with mechanical and plumbing systems
- Experience with zoning and land use code enforcement
- Secondary language abilities in Spanish, Somali or a SE Asian language

Apply:

Seasonal/part-time considered. Benefits for full-time. Applications will be accepted until the positions are filled. Contact Kandis at MNSPECT, LLC with questions or for application and supplemental questionnaire: 952-442-7520 or kandis@mnspect.com.
