

## BUILDING-ZONING INSPECTOR

Do you hold a Minnesota Limited Building Official certification or are eligible to become certified? Have 2+ years of construction trade, design, supervision, or building inspections experience? If so, you just may be the perfect candidate! Become the next next full-time union Building-Zoning Inspector for the City of Red Wing.

The starting hourly rate is \$26.11 with generous fringe benefits. Working in this position allows you to use your skills; be challenged; to make a difference; and to be home with your family when it's important to you.

### **Minimum Qualifications:**

1. High School diploma or equivalent.
2. Valid Minnesota Class D Driver's License.
3. Minimum two years combined experience in a skilled construction trade, construction design, construction supervision, or building inspections.
4. Limited Building Official certification, or certified within one year of employment.

### **Desired Qualifications:**

1. Minimum two years of municipal inspection experience.
2. International Code Council (ICC) building inspection certifications.
3. Demonstrated knowledge of construction practices and techniques, such as masonry, framing and or plumbing.
4. Minnesota Building Official certification.

Applicants must successfully pass a background check, pre-employment physical and drug/alcohol test. Applications are required and can be obtained by clicking here. Completed applications will be accepted until position is filled.
