Categories of Membership

Governmental Member: A Governmental Member shall be only a governmental unit, department or agency engaged in the administration, formation or enforcement of laws, ordinances, rules or regulations relating to the public health, safety and welfare in the built environment. A Governmental Member is the only class with rights to vote on all matters under the Chapter Bylaws. Each Governmental Member shall be entitled to the number of voting representatives specified below. These Governmental Member Representatives shall be designated in writing and shall be employees or officials of the Governmental Member as stated above.

Number of Governmental Member Representatives

Population	Number of Voting Representatives
0 to 50,000	4
50,001 to 150,000	8
Over 150,000	12

All Governmental Member employees or officials in excess of voting representatives shall be an Associate Member.

Associate Member: An employee of a governmental unit, department or agency who is not designated as a Governmental Member Representative.

Corporate Member: An organization such as, an association, society, testing laboratory, institute, university, college, company, manufacturer or corporation interested in the purposes and objectives of the Chapter.

Cooperating Member: An individual who is interested in the purposes and objectives of the Chapter.

Professional Member: An individual who is engaged in the practice of engineering or architecture and duly licensed or registered by any state or other recognized governmental agency.

Honorary Member: An individual who has rendered outstanding service to the Chapter, and whose name shall be proposed by the Board of Directors and confirmed by a majority vote of the Governmental Member Representatives at a Business Meeting.

Student Member: Any individual enrolled in classes or a course of study qualifying for occupying at least eight semester credits of classroom instruction per school year.

Retired Member: Any former member who is retired.

(See other side for Membership Invoice)

10,000 LAKES CHAPTER OF ICC

In conjunction with

ASSOCIATION OF MINNESOTA BUILDING OFFICIALS

March 2012 SEMINAR

Significant Changes to the IBC and IRC 2012

Great instructor covering great topics, which are of interest to Architects, engineers, building officials, building inspectors, plans examiners, fire marshals, fire inspectors, and building designers.

What Will Be Covered

Description: Overviews the changes from the 2009 to the 2012 IBC and IRC. The course identifies changes in organization and code requirements and the applicability of these requirements to design, plan review and inspection. It assists code users in identifying the specific code changes that have occurred, and more importantly, understanding the reason behind the change. Finally, it focuses on those code changes selected due to their frequency of application, special significance or change in application.

Instructor – Doug Thornberg AIA, CBO, Formerly Vice-President of Education for the International Conference of Building Officials (ICBO). A graduate of Kansas State University and a registered architect, Doug has over 25 years of experience in building code training and administration, including ten years with ICBO, and five years with the City of Wichita, Kansas. He is certified as a building official, building inspector and plans examiner, as well as in seven other code enforcement categories.
and **Stephen Van Note** Prior to joining ICC in 2006, Van Note was building official for Linn County, Iowa. He has 15 years experience in code administration and enforcement, and over 20 years experience in the construction field including project planning and management for residential, commercial and industrial buildings. A certified building official and plans examiner, Van Note also holds certifications in several inspection categories.

IMPORTANT INFORMATION about filling out your ICC Education Registration Form if you are licensed by the State of Minnesota

Due to the new licensing procedure and requirements by the Minnesota Department of Labor and Industry, it is very important that you fill out the registration form completely and readable. It is recommended that you use your legal name, personal mailing address, state license number, and last four digits of your social security number. This information will be used on your Certificate of Attendance issued by the sponsor of the education, 10,000 Lakes Chapter of the International Code Conference. This information will also be sent to the Department of Labor and Industry Licensing Division within 14 days of course completion with attendance record. DLI has stated that with the sponsor of the seminar providing the complete information requested on the registration form, it will make renewing your license on line a quick and easy task. Information left off the form could result in having to provide addition documentation and delaying the licensing process.

The information on the registration form will not be released to anyone other than the Department of Labor and Industry.
